

# 2nd Generation

## Biography

---

(cont'd)

2nd Generation has appeared at churches, State Fairs, The National Quartet Convention, Singing in the Sun, Trinity Broadcasting Network, Silver Dollar City, Branson Gospel Music Convention, SGN Music Fest, and many other events.

Regardless of the setting their priority is to minister, not just sing a song. Their mission is that one life is changed as they leave a 2nd Generation concert because of a word spoken or a song that is sung. They want people to want more of God in their lives.

“All of these things are just testaments that we are on the right path,” mentioned Jimmy. “They are great and wonderful – but ultimately we know the reason that we do this. God has called us to be a people who spread the Good News. That is our main desire.”

God continues to amaze that group as they travel in full-time ministry. After all, isn't it amazing what a little faith can do?
